

A stacked bar chart for the year 2023, displaying six categories. Each bar is composed of segments in three shades of blue: light blue, medium blue, and dark blue. The segments are separated by thin black lines. The proportions vary across the categories, with the second category from the left having the largest dark blue segment and the third category having the largest light blue segment.

Category	Light Blue Segment (approx. %)	Medium Blue Segment (approx. %)	Dark Blue Segment (approx. %)
1	45	35	20
2	10	55	35
3	55	35	10
4	10	55	35
5	45	45	10
6	10	55	35

A vertical color bar with 8 squares, each labeled with a number from 2 to 9. The colors transition from dark blue at the top (2) to white at the bottom (9).
